## TRIAGE Field Trip Permission Form 2008

As means of extending and enriching the program at TRIAGE, field trips are planned as part of the activities. As a convenience to parents/guardians, students and staff we ask that you sign one permission form to take care of any planned trips during the upcoming sessions.

Your child will also be given a notice to take home informing you of the specific details of any upcoming field trips.

I give permission for my child, \_\_\_\_\_,  
to participate in all TRIAGE field trips for which he/she is eligible during the program.
