Team Researchers in a *GLOBE*-al Environment (TRIAGE) is an after-school, extra-curricular program, focusing on authentic research with middle school students at the Bunker Interpretive Center (Spring semester) and at the Science Building (Fall semester). The focal content is environmental sustainability.

TRIAGE will pay up to 10 hours/week (120 hours for Spring, 2008; 120 hours for summer, 2008; and 120 for Fall, 2008) at a rate of ~\$8.00-\$9.00/hour over the course of a calendar year.

Please respond to the following to help us assess whose schedules best meet our needs.

- I realize that this commitment will require my attention and effort over the course of the calendar year (from **January, 2008 through December, 2008**). I also know that there is flexibility built into the schedule. Therefore, I would like to commit to working during the following (please circle all that apply):

January 28 - late May

Summer

September - December

- Regular OST (i.e., Mondays - Thursdays), will run 3:45 - 6:15PM. I am able to commit to the following day(s) for the remainder of the academic year, **2007-2008**, meaning January 28 - late May, 2008:

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

- I am available during the summer, **2008** for which of the following:

SRI 1, June 16-27

SRI 2, July 7-18

NOT AVAILABLE

If you have any questions, please email Dr. Rachel Reed at rer3@calvin.edu.

Thank you for your interest in our program - we're very excited to have such fabulous candidates as our Calvin pre-service teachers!
